Come help us make mums! You are welcome to show up on any day we're working. Our work room is located in room 164 of Taylor High School. It is in a room off of a computer lab, so please come and go quietly during school hours. We will have a second work room open for mum making located next to the directors office on the second floor of the band hall. (This room available from August 31st on.) Evening hour workers should report to the second floor room.
